

CURRICULUM VITAE

Paul A. Ullucci, Jr., PT, PhD, DPT, ATC, SCS, CSCS, EMR

5082 N. Primitivo Way

Apt # 302

Fresno, CA 93710

Telephone : (401) 487-3582

Email : paulullucci jr@gmail.com

School:

Department of Physical Therapy

College of Health and Human Services

California State University, Fresno

5315 N. Campus Dr., M/S PT29

Fresno, CA 93740-8019

Office: (559) 278-0500

Fax: (559) 278-3635

Email: pullucci@csufresno.edu

Doctor of Physical Therapy

California State University, Fresno

Education:

Rocky Mountain University of Health Professions

Provo, Utah

6/26/06-4/25/2014

April 25, 2014 : Ph.D. - Orthopedics and Sports Science

Dissertation: "Dehydration reduces posterior leg and trunk flexibility and increases stiffness in male collegiate age runners."

Rocky Mountain University of Health Professions

Provo, Utah

6/26/06-4/7/2009

April 7, 2009 : tDPT

Northeastern University

Boston-Bouve College of Human Development Professions

Boston, Massachusetts

9/30/1986 – 6/14/1991

June 14,1991 : BS Physical Therapy

Licensure Information/Registration Number:

NPI - 1942261300

California Physical Therapy License – 42165 (1/16/15 to present)

Rhode Island Physical Therapy – PT00948 (7/25/1991 to present)

Rhode Island Athletic Trainer – AT00065

Massachusetts Physical Therapy – 9020 (11/5/1992 to Present)

Massachusetts Athletic Trainer – 791 (2/16/1995 to present)

Certifications :

June 11, 2015

American Physical Therapy Association, Board of Clinical Specialties

Board Certified Clinical Specialist – Sports Medicine

Recertification # 9147 (expires 2027)

- February 4, 2015** **American Red Cross (expires 2017)**
Emergency Medical Response
Administering Emergency Oxygen
Bloodborne Pathogens Training
CPR/AED for Professional Rescuers and Health Care Providers
Asthma Inhaler and Anaphylaxis/Epinephrine Auto-Injector
- October 11, 2014** **National Institutes of Health Office of Extramural Research:**
NIGH Web based training course “Protecting Human Research Participants”
Certificate # 1590220
- May, 2005** **American Physical Therapy Association, Board of Clinical Specialties**
Board Certified Clinical Specialist – Sports Medicine
Recertification # 9147 (expires 2017)
- July 2000** **National Strength and Conditioning Association**
Certified Strength and Conditioning Specialist -
Certification # 200012938
- June 1997** **American Physical Therapy Association, Board of Clinical Specialties**
Board Certified Clinical Specialist – Sports Medicine
Certification # 9147
- July 1993** **Board of Certification**
Certified Athletic Trainer
Certification # 079302395

Employment Academic:

California State University, Fresno. Department of Physical Therapy, Fresno, CA 93740 – 8031
Director Musculoskeletal Care Clinic: August 2014 - August 2016
Assistant Professor: August 2014 – August 2016

Bridgewater State College. Movement Arts, Health Promotion & Leisure Studies: Athletic Training
Adjunct Professor: September 2007 – December 2009

Employment in Clinical Setting:

Bacci & Glinn Physical Therapy, Inc.
Per Diem Physical Therapist
Visalia and Hanford, CA
February 2015 – May 2016

McGuire Physical Therapy, Inc.
Per Diem Physical Therapist
Fresno, CA
April 2015 – December 2015

Southcoast Hospital Group
Per Diem Physical Therapist
480 Hawthorn Street
Dartmouth, MA 02747
June 2016 – Present
June 2015 – August 2015

Epic Homecare Services

Per Diem Physical Therapist
Taunton, MA
June 2015 – August 2015

Ullucci Sports Medicine & Physical Therapy, Inc.

President
Riverside, RI
July 1998 – October 2014

Ullucci Sports Medicine Scholarship Fund, Inc.

President
Riverside, RI
August 2006 - December 2008

Morton Hospital and Medical Center – Rebound Sports Medicine

Operations Supervisor
Taunton, MA
August 1994 - August 2001

Brown University

Staff Physical Therapist / Staff Athletic Trainer
Providence, RI
September 1991 - June 2004

Braintree Rehabilitation Clinic at Fall River

Resource Sports Clinician
Fall River, MA
October 1992 - August 1994

RI Rehabilitation Institute

Sports Medicine Director, Aquatic Director, Cooperative Education Student Supervisor
Cranston, RI
June 1991 - October 1992

Ullucci, P. (1995, May 14) *Evaluation and Treatment of the Knee*. Presented at Rebound Sports Medicine Clinical Symposium, Morton Hospital and Medical Center, Taunton, MA

Ullucci, P. (1995, April 4) *Closed Chain Exercise for the Treatment of Patellofemoral Pain*. Presented at Rebound Sports Medicine Clinical Symposium, Morton Hospital and Medical Center, Taunton, MA

Ullucci, P. (1995) *Evaluation of Plantar Fasciitis*. Presented at Rebound Sports Medicine Clinical Symposium, Morton Hospital and Medical Center, Taunton, MA

Ullucci, P. (1995) *Soft Tissue Mobilization of the Plantar Fascia*. Presented at Rebound Sports Medicine Clinical Symposium, Morton Hospital and Medical Center, Taunton, MA

Ullucci, P. (1995) *Patellofemoral Strapping Techniques*. Presented at Rebound Sports Medicine Clinical Symposium, Morton Hospital and Medical Center, Taunton, MA

Abstracts:

Barker H, **Ullucci P** (Chair), Vitato N, Winans S. The Effects Of Therapeutic Exercise Versus Standard Prenatal Care On Intensity Of Lumbopelvic Pain During Pregnancy: A Meta-Analysis, March 2016.

Leahy S, **Ullucci P** (Chair), Winans S, Vartanian J. Effectiveness of low level laser versus placebo treatment on function and pain for patients with chronic knee osteoarthritis: A meta-analysis, March 2016.

Patel B, **Ullucci P** (Chair), Vitato N, Winans S. The Effectiveness Of A Therapeutic Exercise Program Versus Standard Prenatal Care On Lumbopelvic Pain Using A Measure Of Quality Of Life During Pregnancy: Meta-Analysis, March 2016.

Puente R, **Ullucci P** (Chair), Winans S, Varanian J. The short-term effects low level laser therapy on adults with knee arthritis on pain and stiffness as taken from the WOMAC: a Meta-analysis, March 2016.

Ullucci P: Manual Treatment of Cervicogenic Pain. Far West Athletic Trainers Association Annual Meeting, San Diego, CA April 2015

Harris J, **Ullucci P** (Chair). There is no significant difference in eccentric versus concentric exercise in reducing pain, improving strength and function in 6-12 weeks of treatment for chronic lateral epicondylalgia. Fresno State Graduate Research Symposium, May 2015.

Carlson N, **Ullucci P** (Chair). In Adults with Shoulder Impingement Syndrome, Kinesio-taping's Effects on Pain, Range of Motion, and Functional Outcome Measures as Compared to Sham Treatment or Modalities: A meta-analysis with systematic review. Fresno State Graduate Research Symposium, May 2015.

Cates C, Hickey C, **Ullucci P**: Effectiveness of a therapeutic exercise program with a sacroiliac joint belt compared to a therapeutic exercise program alone to reduce sacroiliac joint-related pain and improve function: a meta-analysis. Fresno State Graduate Research Symposium, May 2015.

Jensen B, Walker D, **Ullucci P**. The Effect of High-Intensity-Resistance Training as Compared to Low-Intensity Exercise on BMD in Postmenopausal Women: An Evidence Based Review. Fresno State Graduate Research Symposium, May 2015.

Avilla R, Thompson T, **Ullucci P**. Effects of Strengthening for Elite and Pre-Elite Athletes with Adductor-Related Groin Pain, a Meta-analysis. Fresno State Graduate Research Symposium, May 2015.

Strong D, Singh B, **Ullucci P**. In athletes with chronic patellar tendinopathy, will platelet-rich plasma with eccentric exercise have a statistically significant improvement in VAS and VISA-P scores compared to eccentric exercises alone. Fresno State Graduate Research Symposium, May 2015.

Mueller J, Singh B, **Ullucci P**. In women aged 16-40 with patellofemoral pain syndrome, what are the effects of combined proximal hip and quadriceps strengthening on pain and function compared to quadriceps strengthening alone: a meta-analysis. Fresno State Graduate Research Symposium, May 2015.

Barrows J, Hickey C, **Ullucci P**. Effects of Suboccipital Myofascial Release Compared to Cervical Mobilization on Cervicogenic Headache in the Adult Population: A Meta-analysis and Systematic Review. Fresno State Graduate Research Symposium, May 2015.

Kuo J, Singh B, **Ullucci P**. Effectiveness of End Range Joint Mobilization & Exercise on Shoulder ROM, Function, & Pain for Adhesive Capsulitis Patients - A Meta-Analysis. Fresno State Graduate Research Symposium, May 2015.

Bird S, Singh B, **Ullucci P**. Isolated Hip Strengthening Reduces Pain Associated with Patellofemoral Pain

Syndrome: A Meta-analysis. Fresno State Graduate Research Symposium, May 2015.

Chan J, Sawdon-Bea J, Walker D, **Ullucci P**. Effects of Thoracic Spine Manipulation vs Scapular Stabilization Exercises in Individuals with Shoulder Impingement Syndrome: A Meta-Analysis. Fresno State Graduate Research Symposium, May 2015.

Johnston O, Sawdon-Bea J, Walker D, **Ullucci P**. The additional effect of prefabricated and custom orthotics on pain and function with patients participating in physical therapy with patellofemoral pain syndrome. Fresno State Graduate Research Symposium, May 2015.

Non-Peer Reviewed Publications:

Ullucci P. "*Basic Skills Training for ATCs*" DVD. Technical advisor, Delmar Health, 2004.

Ullucci P "*Clinical Sports Medicine*" Skidmore-Roth Publishing, Englewood, CO 1999:550.

Taunton, MA

Funded/In Review Grant Activity:

2015 Rivera M, **Ullucci P**: Assessment of Critical Thinking in 1st and 2nd year Students in the Doctor of Physical Therapy Program. (in review)

2015-2016. **Ullucci, P.** Faculty Research and Creativity Awards. College of Health and Human Services, California State University Fresno (\$1,300)

2014-2015 **Ullucci, P.** Faculty Research and Creativity Awards. College of Health and Human Services, California State University Fresno (\$1,300)

Current/Active Research Activity:

Ullucci P, Pomaville F. Proper hydration increases flexibility and decreases stiffness.

Ullucci P, Rivera M, White K : Measuring Competence, Anxiety and Confidence in First Year DPT Students During an Integrated Clinical Experience.

Ullucci P, Rivera M, White K : Validating the Nursing Anxiety and Self-Confidence with Clinical Decision Making scale for use with physical therapy students.

Ullucci P, Pomaville F, Olson M. Proper hydration improves flexibility and stiffness in the posterior leg and vocal cords.

Olson M, Pomaville F, Maul C, **Ullucci P.** Vocal Function Measures Before and After Hydration

Media appearances

5/6/15 **The Gene Valicenti Show, WPRO** – Discussed the incidents of injuries involving treadmills and fall centering on death of Mr. Goldberg from SurveyMonkey as well as Senator Reid’s fascial injury with theraband.

9/9/14 **Dr. Ira Breite, Doctor Radio (SiriusXM)** – The concussion epidemic in youth sports ! Represented the NATA as a content expert on concussions, youth sports injuries in high school and younger athletes. Discussed the need for and the fiduciary responsibility schools and organizations have to provide appropriate medical coverage for their athletes.

4/9/14 **Dan Yorke State of Mind** – Television interview in conjunction with Timothy Crandall, ATC discussing a life saving event at East Greenwich High School and highlighting the importance of having an Athletic Trainer at all sporting events.

12/10/13 **The Gene Valicenti Show, WPRO** – Asked to discuss the apparent increase in injuries within the NFL and the rehabilitation and projected timeline for Rob Gronkowski return following his injury.

8/21/13 **San Francisco Chronicle**
<http://www.sfgate.com/sports/article/Station-Muscle-breakdown-hospitalizes-3-students-4747384.php>

Asked to discuss rhabdomyolysis etiology and treatment by the NATA Staff for an Associated Press Reporter which was first published in the San Francisco Chronicle, later published in numerous other media outlets delivering over 6 million unique impressions.

- 1/15/13** **PT Today** – Discussed the importance of the USBJI mission to promote musculoskeletal health in the US and how physical therapists can benefit from USBJI and its various programs
- 10/05/12** **Dr. B, WomensRadio.com** – “*Youth Sports Injuries in Fall Athletes.*” Represented the NATA as a content expert on concussions, youth sports injuries in high school and younger athletes. Discussed the need for and the fiduciary responsibility schools and organizations have to provide appropriate medical coverage for their athletes.
- 8/11/12** **CNN.COM** – “*Kinesio tape: The latest Olympic accessory*”, By **Jen Christensen**. Represented the NATA as a content expert helping to correct the understanding of what Kinesio Tap is and what it can do for athletes.
- 9/27/11** **USA Today** - “*Keeping knees pain-free and flexible*” Represented NATA as a content expert on knee osteoarthritis. Discussed ways to avoid total knee replacement by performing exercise and stretching.
- 9/19/11** **Dr. Ira Breite, Doctor Radio (SiriusXM)** “*Winterizing your body for exercise, Preventing Injury & of course, Middle Age Exercise/Injuries*” Represented NATA as a content expert discussing ways to reduce weight and avoid injuries for middle age men and women
- 4/2011** **Weight Watchers Magazine** – “*Core Stabilization More than Crunches*” Represented NATA as content expert for article on core stabilization. Wrote article providing text and graphics for each exercise.
- 4/1/11** **Dan Yorke Show** – discussed the need for Athletic Trainers in the high school setting, the role athletic trainers play in injury assessment and management and discussed current and proposed RI laws governing concussions
- 3/24/11** **Providence Journal** – *Concussion on Rise; some injuries down.* Interviewed for full page article on high school athletic injuries for state wide news paper.
- 2/11/11** **Athletic Business - Rhabdomyolysis**
Asked by NATA to provide content expertise for both the online and hard copy journal answering questions on Rhabdomyolysis
- 1/21/11** **USA Today - Unusual case at Iowa puts focus on muscle disorder**
Represented NATA as content expert providing background information on Rhabdomyolysis
- 1/1/10-6/30/12** **Varsity Life** – *Ullucci Sports Medicine Minute*
Weekly Cable/Internet/Podcast show dedicate to high school athletes
4 episodes per year
- 9/1/08-12/31/09** **Varsity Life** – *Ullucci Sports Medicine Minute*
Weekly Cable/Internet/Podcast show dedicate to high school athletes
20 episodes per year
- 9/6/08-12/31/09** **Patriots Injury Report** –
Weekly 15 minute report highlighting injuries from around the NFL with special

attention to the NE Patriots and their opponents that week

- 9/9/08** **John Depetro Show – 630am 99.7fm**
Discussed the injury to and subsequent rehabilitation of Tom Brady's knee injury
- 9/9/08** **630am 99.7 morning News with Steve Klamkin**
Discussed the injury to and subsequent rehabilitation of Tom Brady's knee injury
- 8/17/06** **Ron St. Peire show (WPRO 630 AM) : backpack Safety**
- 8/2/06** **Tanya Cruz Show (92 PRO-FM) : signs and symptoms of heat exhaustion, How to prevent heat injuries in athletes and the elderly**
- 8/1/06** **Dan Yoke Show (WPRO 630 AM) : Exercise in the Heat, hydration protocols and heat illness prevention**
- 10/04** **Channel 12 News : Explained the surgical procedure used to hold Kurt Schilling's peroneal tendon in place**
- 9/04** **Channel 12 News : Cheerleading injuries epidemiology, prevention and treatment.**
